ABOUT **TAMIM AFGHAN C.C**

Tamim Afghan Construction Company (TACC), founded in 2018, is a leading private construction firm known for its innovation and excellence. With a dynamic team of skilled engineers, TACC has rapidly become a key player in residential, commercial, and infrastructure projects that elevate communities and foster sustainable growth. Our mission is simple: to transform visions into reality with precision, creativity, and unwavering quality. We tackle complex challenges with tailored solutions, always exceeding client expectations and building lasting partnerships based on trust and respect. At TACC, we create a positive, inclusive workplace that nurtures talent and fosters innovation. Our team's passion and expertise drive our success and enable us to deliver outstanding results across all projects. Specialising in project planning, design-build solutions, and sustainable construction practices, we leverage cutting-edge technology to ensure safety, efficiency, and environmental responsibility. TACC isn't just about construction — we are a partner in progress, shaping a brighter future with every project. Partner with us to build a legacy of excellence that lasts.

TAMIM AFGHAN C.C

MISSION

To be the most innovative and trusted construction partner in Afghanistan, shaping a sustainable future through excellence, creativity, and integrity in every project we undertake.

Our approach combines cutting-edge technology with traditional craftsmanship, ensuring that each project is a testament to quality and innovation.

We believe in creating spaces that are not only functional but also inspire and uplift those who inhabit them. Through collaboration and transparency, we strive to exceed expectations and leave a lasting positive impact on both the environment and society.

TAMIM AFGHAN C.C

VISION

To be Afghanistan's most innovative and trusted construction company, building sustainable futures with excellence and integrity. With a commitment to quality craftsmanship and forward-thinking designs, we aim to transform landscapes and communities for the better. Our projects are more than just structures; they are landmarks of progress and resilience, reflecting our dedication to environmental stewardship and social responsibility. By fostering a culture of collaboration and continuous improvement,

we empower our team and partners to innovate and excel in every endeavor. Together, we are not only constructing buildings but also creating lasting legacies that inspire future generations.

TAMIM AFGHAN C.C

CORE VALUES

1. Integrity

We uphold transparency, honesty, and accountability in every aspect of our work.

2. Quality

We are committed to achieving the highest standards of quality and precision in all our projects.

3. Innovation

We embrace modern technology and engineering solutions to ensure efficiency and sustainability.

4. Teamwork

We foster collaboration, respect, and mutual growth among our employees and partners.

5. Sustainability

We are dedicated to minimizing environmental impact through responsible construction practices.

ORGANIZATIONAL STRUCTURE

TACC operates under a clear and effective organizational structure designed to ensure efficient communication, coordination, and accountability across all departments. The company's leadership is composed of seasoned professionals with extensive experience in construction management and engineering

Project Completion Certificate

Tamin Afghan Construction Company (TACC) successfully completed the renovation of 24 schools and administrative offices in Maidan Wardak province, which was started 01/10/2023 and completed in 01/02/2024. The company demonstrated its expertise and commitment to quality construction, adhering to all building codes and safety regulations. The successful completion of this project is commendable, and TACC is presented with a certificate of project completion. We wish the Tamin Afghan Construction Company continued success in their future endeavors.
